

SERVING GREAT PIZZA SINCE 1957

From their humble beginnings as teenagers in 1957, Bill & his wife Pat established their landmark pizza business in what was once a garage. Though his building was small, his ideas about what makes a successful business were not. In fact, other pizza entrepreneurs throughout the country and as far away as Aruba looked to Bill as a mentor when they were starting out. Along with the original secret recipe, Pizza Bill produced the first double decker pizza and many other innovations that have inspired several pizza places. Over the past 63 years the business grew along with the community. Bill's is a true family restaurant run by the entire family including Bill's daughters and grandsons. Our goal is to serve the same great pizza to you that your parents and grandparents have enjoyed since 1957.

We offer a convenient carryout and prompt delivery service, allowing you to enjoy our quality pizzas, sandwiches, and appetizers at home. Visit our unique comfortable Northwoods inspired dining room the whole family can enjoy.
